FIGTRA

FROM YOUR CHARACTER / TO YOUR FIRST SAMPLE

Your plush project starter checklist.

A sketch, a link or an idea is enough to begin. Add what you know below.
Anything still undecided can become part of the conversation.

01 / YOUR CHARACTER

- ☐ Artwork or reference link; extra views if available.
- ☐ Which expression, proportions or details must stay recognisable?

02 / THE PRODUCT IDEA

- ☐ What is it for: merchandise, a collection, an event or something else?
- ☐ Approximate size, character count and versions you have in mind.

03 / LOOK AND FEEL

- ☐ The texture, softness and overall finish you would like.
- ☐ Details you want to discuss: embroidery, print, seams or construction.

04 / QUANTITY AND DELIVERY

- ☐ An estimated quantity or range - "not sure yet" is fine.
- ☐ Destination country and any delivery requirements you already know.

05 / YOUR TIMING

- ☐ A target release date and desired arrival date, if known.
- ☐ What is fixed, what is flexible, and which decisions are still open?

06 / QUESTIONS BEFORE SAMPLING

- ☐ Ask about sample scope, fees, revision arrangements and the next steps.
- ☐ Note any product requirements or details you want us to assess.

Ready for a clearer next step?

Send your artwork link and the notes you have to hello@figtraworks.com.
We can review the references and discuss what to confirm before sampling.

A conversation starter. Project scope, fees and timing are agreed individually.
